

## Commissioning for Existing Federal Buildings

4.5 HRS .5 FEMP CEUs

## FEMP Core Courses

- No cost, no travel, access 24/7
- Online, open-access courses
- Instructors with Federal sector experience
- In-depth courses completed at your pace

**REGISTER NOW**

Learn best practices to manage the commissioning process and to:

- Lead the commissioning activity in-house or supplement in-house capabilities
- Select whole-building or individual systems to be commissioned
- Develop a targeted plan including key data collection, an effective launch, a thorough walkthrough, and on-site training
- Manage functional performance testing, diagnostic monitoring, on-site observations, and occupant interviews
- Prioritize a Master List of Findings with strategies to measure and verify results

Instructor: Ed St. Germain  
Director of Energy and Environment Support  
Enviro-Management & Research, Inc.
